Thank You

Sponsors, Partners & Supporters

If it wasn't for our amazing sponsors, partners and supporters, there would not be a Kenilworth Arts Festival.

The Festival itself is run by a team of dedicated volunteers who give up a huge part of their time to bring you The Kenilworth Arts Festival. We thank every single one of them for their drive, expertise and passion.

Kenilworth Town Council have continued to be enthusiastic supporters of the festival, and we are extremely grateful for their input this year.

Warwick District Council are a huge resource to us, assisting us in the delivery of a safe and sustainable event.

Thanks to Cobalt development and Workmen for so generously letting us use the Talisman Square car park.

We would also like to thank long time supporters and inspiring business Kenilworth Books, The Orangery, Onside, The Treehouse bookshop and Radio Abbey. With a special mention to The Pavilion Garden Bar and The Kenilworth Centre for hosting events.

Once again Live and Local have worked closely with us to source performers and assisted with promoting our event.

The Kenilworth Lions are a great asset to Kenilworth and to us, this year they have supported us with funds to enable us to purchase outdoor lighting which can be accessed by the community for use at future events.

A-V Candy have been a great technical resource this year, providing us with support and storage,

Thank you to Transtherm for supporting us with the loan of vehicles before, during and after the festival and to Buildbase Kenilworth for the loan of some of the materials required for our Green Stage and The Virgin and Castle for fantastic outdoor bar.
